PROFILE

i made aliyah in 2022, although my roots in Israel run deep, spanning my upbringing and adult life within the country with the exception of a few years abroad.

i am highly motivated with a relentless dedication to continuous learning, particularly in the realm of technology. Committed to expanding expertise and achieving excellence in all professional endeavors. Eager to embrace new challenges, innovate, and contribute positively to organizational objectives. With a

passion for staying abreast of emerging trends and advancements, I am positioned to make significant contributions in dynamic and evolving environments.

My professional background, although not directly aligned with the technology sector, has afforded me invaluable experience in precision, dedication, and upholding high standards. These qualities will undoubtedly be integral as I transition into the next phase of my career.

WORK EXPERIENCE

quality control manager

2020-2024

flocktex industries

As a Quality Control Manager at a textiles company, I am tasked with overseeing comprehensive quality assurance measures to uphold our stringent standards. This encompasses meticulous scrutiny of both the final product and the incoming raw materials to ensure adherence to our exacting specifications.

sample maker

2019-2020

flocktex industries

i was responsible for ensuring the precise quality presentation of our products.

Duties included fulfilling customer sample requests promptly and accurately, as well as showcasing samples at official events.
